## ALL-COUNTY INFORMATION NOTICE I-104-80

TO: ALL COUNTY WELFARE DIRECTORS

ATTN: SPECIAL INVESTIGATIVE UNITS

SUBJECT: WELFARE FRAUD SEMINAR/WORKSHOP

## REFERENCE:

The Fraud Prevention Section of the State Department of Social Services will be conducting a regional fraud seminar/workshop in your area during the month of October, 1980. This session is the first in a series of semi-annual workshops which will be conducted regionally by the State Fraud Prevention Section in order to provide a two-way exchange of information between the state and local levels, regarding issues pertinent to the welfare fraud program.

The agenda for this particular meeting will include an overview of the proposed statewide fraud program performance monitoring system, and a discussion regarding the impact of the recent legislation on peace officer status for welfare fraud investigators. There will also be a short presentation by an investigator from the U.S. Department of Health and Human Services who will discuss their organization and how it relates to the county investigative function.

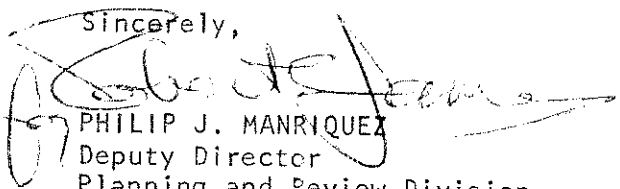

Due to the relevancy of these issues to the local operation of the fraud program, we strongly urge that all counties participate by having the chief and/or senior investigators attend.

On the attachment to this letter is a listing of the dates, place, and time of each regional seminar/workshop, with a breakdown of the counties assigned to each particular session. If you plan on attending, or have any questions regarding this workshop, please respond (indicating the number of persons attending) by October 3rd to:

Karen Hall  
State Department of Social Services  
Fraud Prevention Section  
(916) 920-7642

We look forward to seeing you there.

Sincerely,

  
PHILIP J. MANRIQUEZ  
Deputy Director  
Planning and Review Division  
GEN 654a (7/78)
